

Paid Media Performance Portfolio

Abdal Khalil

Google Ads • Google Local Services Ads • Meta Ads

A portfolio of paid media work across Google Ads, Local Services Ads and Meta Ads, focused on measurable campaign performance, lead generation and conversion growth.

EXPERIENCE

5+ years

PLATFORMS

Search, LSA, Meta

MARKETS

US, Canada, UK & UAE

Performance marketing experience

Hands-on paid media management across lead generation, local services and performance-driven growth campaigns.

5+ Years Experience

Paid media and digital advertising experience across multiple industries and campaign objectives.

\$600K+ Google Ads Spend

Hands-on experience managing and optimizing substantial Google Ads budgets across client accounts.

Multi-Market Experience

Campaign experience across the US, Canada, UK, UAE and additional markets.

Core capabilities

Google Ads strategy and optimization

Local Services Ads management

Meta Ads campaign management

Conversion tracking and measurement

Campaign approach

Campaign structure, search intent, bidding, conversion quality and budget efficiency are evaluated together to align paid media performance with business goals.

The following pages present campaign-level and account-level performance across Google Ads, Local Services Ads and Meta Ads.

Paid media across three core platforms

A structured view of campaign performance, account metrics and client results across Search, Local Services and Meta advertising.

GOOGLE ADS

Search & conversion campaigns

Lead generation, call-focused campaigns and account performance

GOOGLE LSA

Google Guaranteed / Screened

Lead generation, charged leads and search visibility performance

META ADS

Campaign & creative performance

Reach, engagement, messaging and conversion-focused activity

Portfolio sections are organized by platform, with key metrics highlighted before each campaign performance view.

Google Ads Performance

Selected Google Ads accounts with campaign views and headline performance metrics.

Client / Business	Campaign view	Key results
